Dear Recipients and/or Supporters,

For 49 years, the Mt. Nebo Couples' Club, formerly known as the Young Couples' Club, has been putting our faith into action. Twice a year, we have provided undergraduate students a monetary gift. This gift reflects the Club's thoughts & prayers. Also, it shows our recipients that we believe in them and are proud of their accomplishments.

Our recipients have either completed or are currently completing the requirements for associates & bachelor's degrees. Some who have completed have gone on to enroll in or graduated from master's and doctoral programs. They are lawyers, teachers, engineers, and business professionals. They are entrepreneurs and writers. They are mothers and fathers, grandmothers and grandfathers. We are humbled to know that we were part of the village of nurturing adults.

As we look back over the years and reflect on how God has blessed us to bless our recipients, we want to celebrate. We want to celebrate our recipients and our founder, Dr. Mary Gordon West (Mrs. Gordon to many of you). We also want to raise money for the scholarship fund. This will bless and encourage both our present day and future college students. We need you to help us achieve our goals.

You are cordially invited to our **Couples' Club 2019 Celebration**. The event will take place August 3, 2019 at 1:00 pm at Blackstone Herb Cottage, 106 North Main Street, Blackstone.
