Dear Mt. Nebo Members,

As we move forward together in this new year, we would like to thank each member for your generous support shown Mount Nebo with your time, talents, prayers, and financial contributions throughout 2018. Because of your support and our God's blessings, our church was able to thrive in our soul-winning mission for Christ and complete projects for the glory of God and upkeep of our church. We were also able to support community growth by sharing with non-profit organizations, ministering and spreading the Word of God throughout the community, and financially supporting our widows, sick and shut-in members, and community outreach. With prayerful excitement, we are looking forward in 2019 to continuing the mission of becoming a stronger church, uniting our individual talents, winning souls for Christ, and being unified by the spirit of God. Our theme for 2019 is:

Mt. Nebo Knows F.A.I.T.H. (Fear Ain't In This House);

"We are Leaning on God & Moving Forward"

Proverbs 3:5-6 (ESV)

Financial Support in 2018

The prayers, services, sacrifices, and financial support of our members and friends in 2018 allowed the continued operation of our Church ministries and the application of our revenues to cover the following expenses and disbursements:

- Salaries and Fringes - \$45,400
- Facility Operation, Upkeep, and Improvements - \$20,100
- Christian Education and Memberships - \$4,400
- Support to Members and Community - \$2,900
- Donations for Services of Guests - \$1,700
- **Total Disbursements - \$74,500**

Financial Obligations and Opportunities in 2019

We look forward again this year for your financial support to the ministry, operation, and upkeep of the church. Our Beautification Stained Glass Window Walk of Faith Project is underway and

Mt. Nebo Baptist Church – "Where church is family and our Father is Lord."

is expected to be completed this year. In addition to this special project, the 2019 budgeted expenses for the church are similar to 2018 at approximately \$73,000. To meet this operational budget, our church needs each member to do their part. As you prayerfully consider your financial support to Mt. Nebo, please use the following budget donation obligations for each member as a guideline pledge for your tithes, offerings, and contributions:

Current Expenses Donation - \$55 per month

Building Fund Donation - \$40 per month

Spring Revival - \$30

Homecoming - \$25

Fall Revival - \$25

Church 152th Anniversary - \$152

Your continued financial support is not only vital for maintaining good standing as a Mt. Nebo Disciple, but your support is also critical for sustaining our ministry of winning souls for Christ. Thank you sincerely for doing your best as the Lord blesses you to do.

May God Continue to Bless You,
